OUR IMPACT AT A GLANCE SINCE - 2004

Our team comprises of Mentors and Professional Coaches who visit the hubs (daily / weekly / as required) and provide access to quality technical expertise & guidance. In addition, there are technical coaches, team managers, tournament organizers, who are part of our team.

KICKING OFF

The Victory Sports Foundation's 2024-25 Annual Report is a celebration of our collective journey to empower children across Tamil Nadu through the transformative power of sports. At the heart of our work lies a simple yet powerful belief - that every child deserves the chance to play, grow, and thrive, no matter where they come from. Over the past year, we have come together with renewed energy and purpose to bring this vision to life.

From the lively streets of Chennai to the quiet villages of Yelagiri Hills, Cheyyar, Puliyampatti & Krishnagiri, our "Sports 4 All" initiative has turned once-neglected schoolyards into vibrant arenas of activity and possibility. We have seen firsthand how a football, a hockey stick, or a running track can unlock confidence, build resilience, and bring joy to a child's life. We have worked shoulder to shoulder with communities to create safe, inclusive spaces where children are not only encouraged to play but also to believe in themselves.

This report reflects the meaningful moments that shaped our year - children lacing up their shoes for the first time, stepping onto the

value of teamwork, discipline, & perseverance. We have supported these young athletes with access to dedicated coaching, nutritious meals, and high-quality equipment, ensuring that no child is held back for lack of resources.

Beyond the field, we have strengthened bonds with parents, teachers, and local leaders. We sat down with them, shared our dreams, and invited them to be part of a movement that goes beyond sports. Together, we breathed new life into old playgrounds and transformed them into places where potential is nurtured and character is built.

With the steadfast support of our partners, we have opened new doors for children, doors to friendship, to learning, and to ambition. Through every pass, goal, and cheer, we are reminded of the unshakable spirit of sport and the impact it has on shaping lives. This report is not just a record of activities, it is a testament to what we can achieve when we believe in children and stand united in our mission.

OUR BOARD MEMBERS

FOUNDER'S MESSAGE

Dear Friends, Supporters, and Champions,

As I look back on our journey through this year, my heart is full of gratitude and pride for the lives we've touched together. Each moment on the field every goal scored, every cheer shared, every young athlete pushing past their limits - has been a reminder of why we do this work.

These children, with their boundless dreams and unyielding spirit, see sports as a beacon of hope, a way to carve out a brighter future, and we've had the privilege of guiding them along that path. Your belief in our mission, whether through your presence at our tournaments, your support for our programs, or your quiet encouragement, has changed lives. From the restored playgrounds at our schools to the laughter echoing through our summer camps, we've built more than teams; we've created a family bound by resilience and love.

The honors we've received this year are not just accolades - they're a reflection of the heart we pour into every child we serve. Let's keep nurturing these dreams, one kick, one goal, one heart at a time.

With deepest thanks,
S.K. Thanigaivelan
Social Worker, Sports Enabler
Victory Sports Foundation

ABOUT US

We founded Victory Sports Foundation (VSF) in 2004 with a simple belief that every child, no matter their background, deserves the chance to play. Based in Chennai and active across multiple districts in Tamil Nadu, we work to make sports accessible to children from disadvantaged communities.

Our mission is to uplift children born into poverty and difficult circumstances by using sport as a tool to break the cycle of hopelessness and inequality.

WHAT WE DO

At VSF, we believe every child deserves the chance to play, which is why we created the "Sports 4 All" initiative. We ensure children from all backgrounds regardless of economic status, caste, religion, or gender - have access to sports. By offering coaching, nutrition support, sports kits, and upgrading sports facilities, we establish thriving grassroots sports hubs that encourage kids to stay active and healthy. Through our programs, we help children pursue the sport they love while instilling core values like integrity, discipline, and volunteerism. We guide their energy and potential in meaningful directions, helping them grow into confident, responsible individuals who are driven by purpose. In addition, we focus on equipping our coaches with the skills they need to guide our young champions.

WHY WE DO

We live in a country where over 365 million people are under the age of 25, yet most of them have little or no access to organised sports. In India, sports are still seen as a luxury something reserved for those who can afford it. For children from low-income families, the lack of resources, exposure, & encouragement keeps them away from opportunities that could transform their lives.

We believe that sport is a powerful equaliser. It builds confidence, teaches discipline, and opens doors. That's why we're here - to break down these barriers and make sure every child, no matter where they come from, has a chance to play, grow, and thrive through sport.

SPORTS 4 ALL

Our core belief is that every child deserves the right to play, embodied in our "Sports 4 All" initiative. This program ensures access to sports for all children, regardless of socio-economic status, caste, religion, or gender. Through comprehensive support including coaching, nutrition, sports kits, and the development or enhancement of sports facilities - VSF establishes vibrant grassroots sports hubs. These hubs inspire children to engage in physical activity and maintain healthy lifestyle. This year, the initiative has impacted over 687 children across nine hubs in Tamil Nadu.

Our programs touched lives, built futures, and celebrated victories on and off the field.

ESTABLISHMENT AND UPGRADATION OF SPORTS HUBS

In 2024–25, we equipped our student-athletes with high-quality gear to enhance training and match-readiness. We distributed essential football equipment to our hubs in Cheyyar, Nedumbirai, and Housing Board, including footballs, ball bags, air pumps, hurdles, nets, cones, markers, and ladders. Allocation was based on student strength, ensuring fair access and meaningful use.

We also supported our hockey teams at Puliampatti (Girls) and Nagarasampatti (Boys) with specialized equipment. This included carbon and focused wooden sticks, goalkeeper kits, cones, markers, and personal gear like mouthguards, sweatbands, and headbands for every player. The distribution event, attended by school staff and CSD representatives, significantly boosted morale and training quality. We thank M/s. Cheyyar SEZ Developers Private Limited (CSD), M/s. Fairway Enterprises Company Limited and M/s. Lotus Footwear Enterprises Ltd (India Branch) – Unit-1 & Unit-2 for sponsoring this.

At VSF, we proudly supported the following sports hubs across Chennai, Vellore, and Krishnagiri during 2024–25:

- Government Madrasa School, Chennai
- Model School, Chennai
- Marina Boxing Centre, Chennai
- Government Higher Secondary School, Yelagiri, Thirupathur
- Puliampatti
- Nagarasampatti
- Cheyyar Boys Higher Secondary School
- Nedumbirai Higher Secondary School
- Government Higher Secondary School, Housing Board.

FITNESS ASSESSMENTS

Laying the groundwork for athletic excellence

In 2024–25, we prioritized regular fitness assessments to guide the development of our young athletes. These evaluations measured key attributes like speed, endurance, agility, strength, and power, helping us create personalized training plans. Supervised by our coaches and the CSD team, the assessments

highlighted each student's strengths and areas for growth. More than just data collection, these sessions motivated students to take charge of their fitness. Nutritious meals and refreshments ensured they felt supported and energized throughout the process.

Over 294 students underwent the fitness assessments

SPORTS COACHING

We provided regular coaching in football, basketball, and hockey through structured, two-hour daily sessions. These sessions were designed to build core skills, improve physical fitness, and instill discipline among student athletes.

Between June 2024 and March 2025, we conducted over 300 coaching sessions, spread out over 123345 hours across our sports hubs. These consistent, high-quality training programs created a strong foundation for young players, many of whom came from under-resourced communities. By offering them access to professional guidance, safe play spaces, and structured routines, we helped nurture their talent and hone their skills.

7 LAKHS WORTH SPORTS EQUIPMENT DISTRIBUTION (BY CAPCO)

Access to high-quality sports equipment plays a central role in enabling young athletes to reach their potential. We prioritize the distribution of top-tier gear to our training hubs and student athletes, ensuring they have the tools necessary for rigorous practice, skill development, and competitive readiness.

Proper equipment transforms training sessions by allowing students to refine critical football skills such as ball control, coordination, agility, and endurance.

Training tools help simulate match-like conditions and improve overall performance.

With this in mind, we undertook multiple initiatives to provide both infrastructure support and personal kits to our players and coaching staff. In all, 408 beneficiaries were given sports kits, amounting to Rs 7 Lakhs.

NUTRITION SUPPORT

Proper nutrition is essential for the growth, development, and performance of young athletes. A balanced diet fuels their bodies, supports muscle development, enhances energy levels, and promotes overall health, enabling them to excel in sports and maintain an active lifestyle. Adequate protein intake is particularly crucial, as it aids in muscle repair and recovery, while nutrient-rich snacks provide sustained energy for training and competitions.

To support the nutritional needs of students in our sports programs, we implemented initiatives to provide protein-rich foods and healthy snack. We supply students with items such as protein-packed biscuits, bananas, and other nutrient-dense foods. These provisions ensure that children, regardless of their socio-economic background, have access to the nourishment required to thrive in their athletic pursuits.

OPPORTUNITIES 4 ALL

Multi-level and team-based competitions enhance player engagement. Tournaments are vital for every player, enhancing finesse and technical skills to match their opponents. To boost our student's athletic abilities, we organize tournaments and encourage participation in external events. This year, we held 20 competitions with 1500 participants.

HIGHLIGHTS OF THE YEAR

PULIYAMPATTI

- Won Mathur Zonal Level in both U-14 & U-17 categories.
- Crowned District Champions (Krishnagiri) in U-14 & U-17.
- Reached Quarter Finals at the State Level in both U-14 & U-17.
- Secured Winner, Runner-up, and Third positions in the Krishnagiri District CM Trophy.
- Finished Third in the Beyond Champions Trophy (State Level).
- Secured Third Position in STEP Tournament.

NAGARASAMPATTI

- Claimed victory in the Tamil Nadu School Hockey League Zonal Level
- Runners-up in the 7s State Level Boys Hockey Tournament.
- Achieved Winner & Third in the prestigious CM Trophy at the District Level.
- Dominated the Kaveripattinam Zonal Level, winning across U-14, U-17, and U-19.
- Won Krishnagiri District Level tournaments in all three categories (U-14, U-17, U-19).
- Participated in the State Level, reaching the Pre-Quarter Finals in all age groups.

CHEYEAR

- Champions of the Beyond Football Trophy
- District Winners and Runners-Up of the CM Trophy in U – 19 category
- Represented at the State Level in All Three Age Categories – Under-14, Under-17, and Under-19
- Runners-Up in the Vivekananda Championship Trophy – A Prestigious State-Level Tournament

MATCHES & TOURNAMENTS

STEP TOURNAMENT

Overview

The STEP Tournament is a unique grassroots initiative designed to enhance sports participation and talent development among children aged 9-15 years, covering both boys and girls across all sports disciplines. It provides structured opportunities for young players to compete, learn, and grow through professional-level match experiences.

Vision

Victory Sports Foundation envisions the STEP Tournament as a long-term pathway to identify and nurture young sporting talent, building a strong foundation for future champions from the grassroots level.

NUTRITION SUPPORT

Proper nutrition is essential for the growth, development, and performance of young athletes. A balanced diet fuels their bodies, supports muscle development, enhances energy levels, and promotes overall health, enabling them to excel in sports and maintain an active lifestyle. Adequate protein intake is particularly crucial, as it aids in muscle repair and recovery, while nutrient-rich snacks provide sustained energy for training and competitions.

To support the nutritional needs of students in our sports programs, we implemented initiatives to provide protein-rich foods and healthy snack. We supply students with items such as protein-packed biscuits, bananas, and other nutrient-dense foods. These provisions ensure that children, regardless of their socioeconomic background, have access to the nourishment required to thrive in their athletic pursuits.

MATCHES & TOURNAMENTS

Participating in tournaments is vital to a football player's growth, offering real - game experience that builds confidence, sharpens decision - making, and strengthens teamwork. Regular competition instills discipline, resilience, and a winning mindset.

This year, our students played 180 matches across 60 tournaments, winning 25+ championships and scoring 200+ goals. These results reflect their dedication, skill development, and the power of consistent match exposure.

OPPORTUNITIES 4 ALL

Multi-level and team-based competitions enhance player engagement. Tournaments are vital for every player, enhancing finesse and technical skills to match their opponents. To boost our student's athletic abilities, we organize tournaments and encourage participation in external events. This year, we held competitions with ... participants.

BEYOND FOOTBALL TROPHY 2024

A Celebration of Talent, Teamwork, and Sportsmanship

The Beyond Football Trophy 2024 (Under -17 category), organized by Beyond Sports Academy, was held at Cheyyar Government Boys Higher Secondary School, drawing enthusiastic participation from teams across Tiruvannamalai and neighboring districts. Played in a league format, the tournament featured two pools (A and B), each comprising three teams - ensuring every team had multiple opportunities to compete and demonstrate their skills. The tournament had 108 participants in total. The finals brought together the top teams from each pool in an exciting showdown. Beyond Sports Academy A Team emerged as the champions, while the Cheyyar Government Boys HSS Team secured the runner-up position. In addition to team accolades, special awards were presented to recognize exceptional individual performances and outstanding sportsmanship.

The prize distribution ceremony was graced by distinguished guests from Nike Mr. Vetri, Ms. Heather, Mr. Yoga, and Ms. Nanditha - whose presence added prestige to the occasion. They were joined by members of the Cheyyar SEZ management team, including General Manager Mr. Manimaran, Mr. Mohan Raj (GM, EW), and Mr. Ananda Kumar (GM,LU1). We were also delighted to have the support of Mr. Jayakanthan (Principal), Mr. Jegannath (Physical Director), and the dedicated PE teachers from Cheyyar School, whose encouragement and commitment contributed to the success of the event.

SWAMI VIVEKANANDA FOOTBALL TOURNAMENT

Our team proudly emerged as the Runner - Up in the Vivekananda Championship Trophy - a prestigious state-level football tournament. BSA team emerged runner up in the tournament held in Yelagiri, competing against 10 teams from 6 districts. This remarkable achievement is a testament to the hard work, determination, and teamwork displayed by our players throughout the competition.

OTHER MATCHES & TOURNAMENTS

State, District & Zonal matches

In 2024, our students actively participated in a wide range of football tournaments, matches, and community engagement events. These competitions spanned local, zonal, state, and outstation levels, offering valuable exposure, skill enhancement, and team-building opportunities for our young athletes. The tournaments and matches not only offered rich experiences for the children and youth but also helped build sportsmanship, discipline, and leadership. From grassroots to state - level participation, these engagements have contributed immensely to the holistic development of our players.

Zonal

Zonal-level competitions play a crucial role in encouraging sportsmanship, teamwork, and talent identification among young athletes. In 2024, several zonal matches were organized across various districts in Tamil Nadu, showcasing the enthusiasm and competitive spirit of school students. Below is a summary of the key zonal events conducted during the year.

BEYOND HOCKEY TOURNAMENT

OUTSTATION TOURNAMENTS

The outstation tournaments provided students with valuable exposure and competitive experience outside their regular school environment.

SIGA TOURNAMENT – CHETPET:

This event brought together teams from various regions, offering students the chance to play against a diverse range of opponents. It was not only a test of skill but also a platform to build sportsmanship and team spirit.

Each of these tournaments played a significant role in developing the players' confidence, adaptability, and passion for the game.

THADAM TOURNAMENT – TAVYA SPORTS PARK, SHOLINGANALLUR:

Held at a well-equipped venue, the tournament challenged players with fast-paced matches and high-level competition. The experience enhanced tactical understanding and physical endurance.

PHOENIX VETERANS UNDER-14 BOYS TOURNAMENT – HOME GAME SPORTS ARENA, SIRUSERI:

Though held within city limits, this event functioned as an outstation tournament due to the travel and logistics involved. It gave our under-14 boys team an opportunity to perform in a structured league setup and gain critical match-time experience.

Kerala Super Cup

Our academy players participated in the Kerala Super Cup Tournament held at Taliparamba Medical College, Kerala. Players from our Cheyyar hub represented Beyond Sports Academy, while another team from Chennai Government Madrasa Higher Secondary School also took part. A total of 16 teams competed in the tournament. Although our teams lost their respective first matches, it was a valuable learning experience and great exposure for the players.

SPORTS SELECTION

Sports selection activities play a pivotal role in identifying and nurturing young athletic talent, providing students with opportunities to compete at regional, state, and national levels.

On 20 April 2024, the Govt. Madrasa School Hubs across Tamil Nadu hosted sports selection trials, attracting 50–70 enthusiastic students aged 13–18 from classes 6th to 12th. These trials aimed to identify promising athletes capable of representing their schools in various sports disciplines, encouraging a competitive yet inclusive environment.

Similarly, on 25 April 2024, the Victory Sports Foundation organized the Khelo India SAI Football Trials at J.N. Stadium "B" Ground, Chennai, under the CSD Project led by Jayachandran. Nine young footballers aged 9–19 underwent rigorous fitness tests, including endurance runs, sit-ups, shuttle runs, and vertical jumps, to evaluate their potential for further training under the Sports Authority of India (SAI) for national competitions.

The Khelo India trials, documented by Kirubakara K and evaluated by Shankar Ganesh J on 11 September 2024, further emphasize the structured approach to talent identification, with photo updates ensuring transparency.

K. MANIKANDAN

Selected for Under -14 Tamil Nadu Hockey Team

A notable achievement came from the SGFI State Selection Trials for hockey in Hosur, Tamil Nadu, where K. Manikandan, a Class VIII student from P.R. Govt. Boys Higher Secondary School, Nagarasampatti, and a member of Beyond Sports Academy, showcased exceptional skills. His outstanding performance earned him a spot on the Tamil Nadu Under-14 Hockey Team, securing his participation in the upcoming National Championships in Bhopal, Madhya Pradesh. This success highlights the impact of such trials in recognizing talent and providing young athletes with platforms to excel.

COACHES REFRESHER TRAINING

Building Excellence from Within!

In 2024, we prioritized continuous professional development for our coaches through multiple training and refresher programs. These initiatives aimed to enhance their skills across traditional and emerging sports.

Key events included the PE Teachers Refresher Program in Chennai (June 27) covering football, boxing, judo, and taekwondo; the Bengaluru FC Fitness Workshop (August 31); and sessions on psychology, nutrition, coaching ethics, and sports analytics in Chennai.

Coaches also attended external programs such as Mr. Kirubakaran's Football "D" License Course in Chandigarh and Senior Coach Suman's AFC C Diploma training in Punjab. Two review meetings under the CSD Cheyyar Project (June 8 and July 13) ensured alignment, accountability, and effective project execution.

SUMMER CAMP

Our 2024 Summer Camp, held from May 13 to June 8 across two Chennai venues, welcomed over 100 participants aged 8 to 17. Through basketball and football sessions, children developed discipline, teamwork, and resilience. Daily training, fitness assessments, and nutritious refreshments supported their physical and mental well-being.

Beyond physical benefits, our summer camps create a platform for social interaction and personal growth.

8 - 17

The diverse group of participants learned to collaborate, respect differences, and celebrate collective achievements.

CREATING SPACE FOR SPORTS

At the Government Model Higher Secondary School in Triplicane, Chennai - one of our long-standing sports hubs, we recognized a deep need: the absence of a safe and encouraging space for children to play and grow through sports. For over six years, we have been working with the school, providing sports training not just to its students but also to the surrounding communities. But something was missing. The school's two playgrounds, meant to be centers of energy and learning, had turned into neglected spaces - almost like dumpyards.

They had become gathering spots for outsiders and posed serious safety concerns. It was heartbreaking to see these grounds lose their purpose.

This lack of safe play areas had a direct effect on the school itself. Parents, understandably concerned for their children's well-being, began withdrawing them from school.

Enrollment numbers fell, and with them, opportunities for many children who deserved better.

We knew we had to act. We took it upon ourselves to transform these grounds - not just physically, but symbolically. With an investment of nearly Rs 1,50,000 and months of dedicated effort, we renovated both playgrounds. The process wasn't easy, but it was worth every ounce of energy.

Once the grounds were restored, we breathed life back into them by organizing football tournaments. One ground was prepared for 5-a-side matches, and the other for 7-a-side games.

Children returned - not just to play, but to belong. Parents began to believe again, seeing that their children had a place to grow safely and meaningfully.

Enrollment increased, confidence returned, and today, those same grounds that once stood abandoned are filled with laughter, teamwork, and learning. We believe that every child deserves a space to run, to play, and to dream - and we are proud to have helped create just that at Triplicane.

PARENTS MEETING

On July 27, 2024 and August 18, 2024, we organized parents' meeting at the Museum Cafe, and Cheyyar Govt school, respectively. The purpose of this gathering was to engage parents in a meaningful discussion about the critical role they play in supporting their children's sports journey. The session highlighted the importance of providing emotional encouragement, ensuring regular participation, and creating a positive environment to help their children thrive in sports. We addressed the need for parents to recognize the value of sports in building discipline, teamwork, and resilience in their children, emphasizing how their active involvement can significantly impact their child's commitment and success in athletic pursuits.

SPORTS FOR A CAUSE

As part of our "Sports for a Cause" initiative, we aimed to sensitise sports students to the needs of society through purposeful community engagement. We conducted several activities across different locations to encourage young athletes to become more aware of the world around them.

Victory Sports Foundation Chennai

- Distributed sports equipment
- Supported by Round Table
- Improved access to training resources

Govt. Model Hr. Sec. School Chennai

- Donated school bells & fans
- Installed RO water plant
- Restored midday meal room

Kottur Chennai

- Distributed hearing aids
- Supporting children with hearing loss
- In collaboration with Round Table

Through these efforts, we connected the power of sport with the spirit of giving, encouraging our students to play an active role in shaping a more inclusive and compassionate society. They learned that true leadership goes beyond performance, it lies in empathy and service. Each act of contribution fostered a deeper sense of purpose and social awareness. By stepping into the community, our young athletes discovered the impact they can make beyond the field.

EVENTS

We organized and participated in several impactful events in 2024, creating opportunities to engage with communities and promote the value of sports and cultural heritage.

IPL Event - Collaboration with Game 24*7

Foundation: We partnered with the non-profit arm of Games 24*7 to provide youth from underprivileged backgrounds the chance to experience a TATA IPL T20 match between Chennai Super Kings (CSK) and Rajasthan Royals (RR) at MA Chidambaram Stadium, Chepauk on May 12, 2024. This initiative allowed us to share the excitement of live sports with young individuals, inspiring them through the energy of the game.

LUD Annual Community Conference - 2024:

We actively participated in the LUD Annual Community Conference at WCC college, Chennai on November 23, 2024, where we connected with community members through discussions and activities. Our involvement helped us highlight the role of sports in building stronger, healthier communities.

Veedhi Viruthu Vizha: We took part in the 12th edition of Veedhi Viruthu Vizha, a vibrant cultural festival celebrating traditional Indian art forms with over 5,000 folk artists from Tamil Nadu. We were provided a stall by the organizers at Velammal Matriculation Higher Secondary School, Mogappair West, which gave us a platform to showcase our philanthropic initiatives. We also organized engaging games like archery and basketball shootouts, attracting many visitors. Through these activities spanning 2 days (Jan 4,5 2025), we raised awareness about the positive impact of sports on people's lives and shared our two decades of work with an enthusiastic audience.

Chennai Half Marathon:

On November 24, 2024, we supported the Chennai Half Marathon, where approximately 50 students participated in a 5km run at Olcott Memorial Higher Secondary School, Besant Nagar. Our efforts focused on encouraging young athletes to embrace physical fitness and teamwork through this community driven event.

Ayudha Pooja Celebrations:

During Ayudha Pooja on 11th October 2024, all the equipment were thoroughly cleaned and neatly displayed in the playgrounds at all the three hubs (Cheyyar, Housing Board & Nedumbirai). Celebrating Ayudha Pooja in the sports hubs symbolizes respect for the sports equipment, which plays a vital role in the players' success and well-being. The major equipment on display included Foot balls, ball bags, hurdles, goalpost nets, goalkeeper kits, cones, markers, ladders, and more. After the Pooja rituals, sweets were distributed to the students who were present.

RECOGNITION AND ACHIEVEMENTS

FITNESS, NUTRITION & SPORTS INDIA EXPO:

From May 10 - 12, 2024, we took part in the Fitness, Nutrition & Sports India Expo at the Chennai Trade Centre. Through engaging activities, we promoted the importance of fitness and sports to hundreds of attendees and shared our vision for community wellness.

SOUTH INDIA PINNACLE AWARDS 2024:

On May 10, during the Expo, our founder Mr. Thanigaivelan and Mrs. Dhanam received the Youth Sports Champion Award. This honor recognized over 20 years of dedicated work in empowering under privileged children through sports and driving lasting social impact.

AMAZING INDIANS AWARDS 2024:

On August 25, 2024, our founder Mr. Thanigaivelan was nominated in the Sports Enabler category at the Amazing Indians 2024 Awards by Times Network. A special AV showcased our journey, and the honor was broadcast nationwide, made possible by our supporters and dedicated team.

COLLABORATIONS

We extend our sincere gratitude to our CSR Partners & Donors for their invaluable support in organizing grassroots programs throughout the Year. Their commitment has played a crucial role in inspiring a passion for sports in rural communities, where opportunities may be scarce, but talent abounds. Our goal is to create a lasting impact through sports excellence, and we believe this is achievable when communities unite with a common vision. The strength of our mission is amplified by the dedication of our partners who share this journey with us.

Our CSR Sponsors, NGO Partners & Donors

Together, we are not only nurturing athletes but also building stronger, more resilient communities.
